Subject: Important Notice of Product Name Change

To our Valued Customers,

We are reaching out to inform you of a necessary change regarding one of our products, RoofGuard.

After careful review and consultation with legal counsel, it has come to our attention that for the past twenty-seven years the name RoofGuard is infringing upon the trademark rights of another entity. In order to rectify this situation and uphold our commitment to ethical business practices, we are required to rename our product.

Effective immediately, RoofGuard will be rebranded as DuraRoof. This change is imperative to ensure that we are in compliance with trademark laws and regulations.

Please note that this change only affects the name of the product, the quality, performance, and benefits of the product remain unchanged and you can continue to rely on DuraRoof with the same confidence and trust as before.

We understand that this change may cause some confusion and we sincerely apologize for any disruption it may cause. Our team is available to assist you with any questions or concerns you may have during this transition period.

Thank you for your understanding and continued support as we navigate through this process. We value your business and remain committed to providing you with exceptional products and services.

Sincerely,

A handwritten signature in black ink that reads "Andy Stevens". The signature is written in a cursive, flowing style.
